

LOCHIN 333 HARBOUR PILOT**Overview:**

The LOCHIN 333 HARBOUR PILOT provides spritely performance with a modicum of accommodation and a large wheelhouse space. The cockpit is the emphasis of this design with a spacious area applicable to many operational uses - fishing, diving, survey work, etc. In this particular case she is used for serious offshore angling accommodating a good number of fisherman and their equipment. The sea keeping qualities of this hull are legendary confirmed by their extensive use for many commercial applications including lifeboats! This vessel is still in original ownership and has been carefully maintained which is reflected in her condition. (EU VAT PAID)....
